Make-up Tests 2:15 - 3:30 pm

Semester Test Guidelines:

- Students must be on time and remain in class until the end of each testing period.
- Regardless of whether a semester test is given, students must attend the class period of their on-line high school class(es).
- Study hall is *optional* **except for students with missing grades in Q1 or Q2.** Supervision will be provided.

SAT:** *Students are responsible for checking their missing assignments in Campus. If a student having missing work fails to report to SAT, absence(s) will be **unexcused and the student will make up double the time missed.

(Please check with the office if you are unaware of how to log on to Campus.)
