

# Brookings Back Pack Project – Summer Program

This summer the Brookings Backpack Project (BBP) will provide a **free weekend supply of kid-friendly meals and snacks** to school-age children and youth (Head Start through 12th grade) who might not have enough food resources at home.

**Distribution of bags will be at the Back Pack Packing Site at 114 Folsom Street W, Street.**  
**Please note: Address has changed since previous years, same location, different building.**

Bags may be picked up Thursday from noon until 6:00 pm and will **start Thursday, May 31st** and continue until school begins again in the fall. **There are NO eligibility requirements to participate.** (if this time does not work for you let us know and hours may be extended to Friday also)

## BBP Summertime Consent Form

**\*Please keep the top half of this sheet handy in case you need the information later.**

Please register my child(ren) for BBP Summertime.

I understand that BBP Summertime will begin May 31, 2018. I also understand that if for any reason my family fails three weeks in a row to pick up our food without notification, we will lose the right to take part in BBP Summertime. If I know ahead of time that we will be unable to pick up our food, I'll tell a volunteer at the site so that no food is wasted. BBP has my permission to share my family information with its Summer time staff and volunteers.
