

DigiGirlz

DigiGirlz, a Microsoft YouthSpark program, gives middle and high school girls opportunities to learn about careers in technology, connect with Microsoft employees, and participate in hands-on computer and technology workshops.

Microsoft invites you to **SAVE THE DATE** for our **FREE Microsoft DigiGirlz** event, which will be held **March 7th** at the **University Center campus in Sioux Falls**, for girls from **8th – 12th** grade.

Microsoft is proud to offer technology programs specifically for youth. One of our signature programs, Microsoft DigiGirlz High for girls, works to dispel stereotypes of the high-tech industry.

During the event, the girls will interact with women in technology, participate in technology sessions and demonstrations, network, and learn with hands-on experience.

Space is limited. Click here:

<https://www.microsoft.com/en-us/diversity/programs/digigirlz/default.aspx>

to visit the Microsoft DigiGirlz website. Registration opens on January 15th. Once your registration form is complete, your registration can be confirmed. Registration closes on February 28th, or when all spots are full.

We look forward to seeing you there!
